

RAKYTNÍK NEWSTELLER

THE GAZETTE OF THE MUNICIPALITY OF RAKYTNÍK - RAKOTYÁS

**ON JANUARY 1ST 2022 THE LATEST AMENDMENT TO THE LIVESTOCK LAW
TOOK EFFECT, UNDER WHICH
IT IS FORBIDDEN TO KEEP DOGS CHAINED.**

REMAINING AT THE DOGKEEPING

The municipal office is required by law to keep a register of the dogs kept in the village. Therefore, as an attachment to the newsletter, we send as many record sheets to be filled out to each household as many dogs we know about at that house. We kindly ask our residents to fill them out and return them to the municipal office. Thank you for your understanding and cooperation this way and in advance.

**WE FURTHER INVITE THE ATTENTION OF THE DOG OWNERS THAT
THEY ARE LIABLE TO ENSURE THAT THEIR DOG CANNOT ESCAPE FROM
THEIR YARD AND DOES NOT RISK PUBLIC SAFETY
OR DOES NOT HINDER THE WORK OF POSTWOMEN.**

TAX INCREASE

At their last meeting, our representative body raised taxes again. The current tax increase will mainly affect, in addition to owners of arable land and pastures, proprietors of forested areas. Garbage and dog taxes will not be affected by the current tax increase.

ACTIVATION WORKS

The current contracts run until the end of May 2022. Those affected were given a five-month deferral to settle their tax debts. With those who will still not be willing to take advantage of this last option we will really not be able to sign a contract for activation activities from June 1st. Tax debts include non-payment of annual property, dog and garbage taxes between 2017 and 2021.

DRINKING WELL

The area of the village drinking well will soon be equipped with a surveillance system. Users of the well are asked not to rotate the pump or, if they do, to return it to its original condition after use so that the well can be used by others as well. If some continue to use the well as a toilet, we will be forced to provide it with a padlocked gate and give access only to those who actually visit the well to get drinking water. In this case, each household will receive a key to the padlock. Thank you for your understanding.
