

RAKYTNÍK MESSENGER

THE GAZETTE OF THE MUNICIPALITY OF RAKYTNÍK - RAKOTYÁS

THE CENTRAL SLOVAKIAN ELECTRICITY DISTRIBUTOR INFORMS THE DEAR RESIDENTS THAT ON OCTOBER 13 2021, FROM 7:30 AM TO 16:30 PM, THE POWER SUPPLY IN THE UPPER PART OF OUR MUNICIPALITY WILL BE PREDICTABLY INTERRUPTED DUE TO THE PLANNED MAINTENANCE OF THE PROVIDER'S DISTRIBUTION SYSTEM NETWORK. ALL RIGHTS TO CHANGE RESERVED.

BYE SLOVAKIA ENERGY!

The Slovakia Energy electricity supplier terminates its activities. Their contracts with customers will at the latest expire on October 31, 2021. **NO ONE WILL BE LEFT WITHOUT POWER, THOUGH.** We provide additional information and even assistance in the forced change of service provider at the municipal office.

PAYMENT OF TAXES

At their last meeting, our representative body called for more efficient collection of tax debts, so we will deliver **PAYMENT REQUESTS** to those who have failed to pay their local property, dog and garbage taxes in recent years. We would also like to draw the attention of those, who in the midst of their other important tasks may have forgotten to settle their obligations over the past five years, to please settle their pending liabilities.

WE REQUEST THE DEAR RESIDENTS OF OUR VILLAGE TO BE CAREFUL TO KEEP THE COMMUNITY'S DRINKING WELL CLEAN AND USE IT AS INTENDED. THE DRINKING WELL IS NOT A BATHROOM, NOT A TOILET AND NOT A PLAYGROUND. THEREFORE, PLEASE, DO NOT ALLOW YOUR CHILDREN TO APPROACH THE DRINKING WELL WITHOUT PARENTAL SUPERVISION.

WE WARN ALL, WHOM IT MAY CONCERN, THAT NEXT YEAR OUR VILLAGE WILL NOT CONCLUDE CONTRACTS FOR ACTIVATIONAL WORKS WITH THOSE, WHO WILL HAVE DEBTS TOWARDS OUR VILLAGE AND NOT EVEN THE TRASH WILL BE COLLECTED FROM BEFORE THE GATES OF THOSE, WHO FAIL TO PROGRESSIVELY COMPENSATE THEIR GARBAGE TAX DEBT PAYMENTS.

JOB OPPORTUNITY

With the finishing construction of the sewage treatment plant, our municipality is looking for a new employee for the resulting position. We are mainly looking for applications with CVs from those, who have a license to drive a tractor.

TO THE CONSTRUCTION SITE MONITORED WITH A CAMERA UNAUTHORIZED ENTRY IS PROHIBITED!

ROAD RENOVATION

The section of the E571 road, i.e. the main road between Rimavská Sobota/Rimaszombat and Tornaľa/Tornalja, between Bátka and Figa/Füge, will be renewed. The plans also involve the construction of an illuminated pedestrian crossing, a sidewalk and a paved bus waiting area.

THERE IS A MOUSE IN THE OFFICE. WAITING FOR CATS' APPLICATIONS.
